

Coastal Cruising Adventures on Tall Ship Concordia

“Premier cruising adventures to extra-ordinary destinations”

Our adventure sailing programs explore regions of the world in logical themes of culture, geography and history. Guest lecturers, local historians, authors, artists and local cuisine, all combine for a learning-travel trip you will cherish and remember for a lifetime - a unique trip like no other.

Tall Ship Concordia

Concordia is a 188' square-rigged barquentine built to the highest modern safety standards. Comfort and spaciousness are her key qualities. The well-stocked reading and games room is a great place to relax. Dining takes place in a traditional ships salon where the ambience provides a welcome setting. All cabins have ensuite showers and toilet. Whether high in the rigging, taking the helm, setting sail or relaxing on deck, the spectacular seascape will take your breath away.

Pacific Rim & Vancouver Island

Few cruising grounds in the world can match British Columbia's coastline for stunning scenery: majestic fjords, half-hidden inlets, and hundreds of islands. And to complete this perfect picture, a temperate climate! Highlights include incredible rugged picturesque headlands, beaches and trails of Tofino, dense coastal rainforests, an impressive array of bird and wildlife and the Pacific Rim National Park. The elemental forces at play here - the winds and the tide, the sun and the rain - excite within visitors a deep-seated sense of belonging to this place. Come experience it with us. Prices starting From \$995 pp+.
